# Login

**Click the login button. Logging also allows you to search the BU asset management site (to locate equipment)**

The screenshot displays the BUMC Research Expertise Resources website. At the top left is the BU logo and the text 'BUMC Research'. Below this is the 'Expertise Resources' section, which includes a navigation bar with buttons for 'New Search', 'Login', 'Edit My Profile', 'Help', and 'Contact Us'. A black arrow points from the 'Login' button in the text box above to the 'Login' button on the website. Below the navigation bar is a search area with 'Search Criteria' and options for 'Show directions' and 'Advanced Search'. The search type is set to 'Keyword', and the search term 'virus' is entered in the input field. A 'SEARCH' button is visible. Below the search area is a 'Results' section showing '283 results for virus'. It includes a list of related searches such as 'acquired immune deficiency syndrome virus', 'epstein barr virus', 'oncogenic virus', 'virus cytopathogenic effect', and 'virus infection mechanism'. There are also filters for 'RePORTER Abstracts (49)', 'RePORTER Projects (58)', 'RePORTER Patents (0)', 'Expertise Summary (16)', 'Publications (109)', and 'Core Facilities (0)'. The main content area shows project details for 'Healthy Aging and Myostatin Antagonists' and 'Stage-Specific Inhibitors of Orthopox VIRUSES'.

# Modifying Your Profile

---

***Please uncheck these!***

***Complete these fields***

The screenshot shows the 'Edit My Profile' page on the BUMC Research website. At the top left is the 'BU BUMC Research' logo. Below it is the 'Expertise Resources' section with navigation buttons for 'New Search', 'Edit My Profile', 'Logout', 'Help', and 'Contact Us'. The 'Edit My Profile' section contains a notice about database synchronization and two unchecked checkboxes: 'I do NOT want my research/expertise information to be used for the purposes described above' and 'I do NOT want the websites listed below to be provided to NIH RePORTER (What is this?)'. Below these are two text input fields. The first field is for a 'summary of your expertise and interests' and is annotated with 'Insert a research description if not prepopulated'. The second field is for 'keywords' and is annotated with 'Insert or modify keywords'. Arrows from the top annotations point to the checkboxes and the input fields.
